Tools we are using during the online days

MS Teams

All online sessions will take place in MS Teams. Simply join using the link provided in the calendar invitation.

During the online sessions, we will use the meeting chat for questions, comments and interaction.

Miro

Miro is our digital collaboration space and home to the Innovation Campus.

The Innovation Campus is the online world we created for you and where everything will happen during our online sessions.

How to use Miro

Important

- Please go into Miro before Wednesday to see if it works for you.
- You should be able to use Miro as a **GUEST without logging in!**
- If this does not work, please sign up. If your company email does not work, we kindly ask you to use your private email for a Miro account and use it with that account for the duration of the Innovation School. Your email address will not be visible and shared with others.
- Company emails might not work for everyone.

Lost on the board?

Don't worry, our **Teams call is always your safety net**. Just hop back into the video call and ask, someone will help you find your way.

Quick reorientation

Use the shortcut **Alt+1 (Windows) or Option+1 (Mac)** at any time to instantly re-center your view on the Miro board.

Follow me

If the facilitator **activates Follow**, your view moves with theirs automatically. If a presentation starts, **click "Yes"** on the pop-up to join and follow along.

Workplace Set-Up

Be present

Clear your calendar and set notifications to DND

Use pen & paper

Have something to take notes & draw on next to you

Refuel regularly

Have a bottle of water and some snacks

Be on time

With this many participants, we can't wait for latecomers.

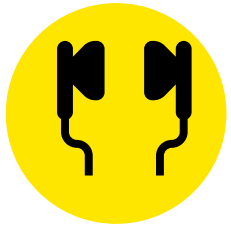

Bio break

Use group sessions for extra walks to the restroom

Charge your devices

Keep your devices charged with a stable internet connection.

Use a headset

Headsets with mics prevent weird echoes

Quiet Space

Choose a distraction-free environment
